MEMORANDUM: Mr. Campbell,
Superintendent of Forestry.

Referring to your memorandum to the Commissioner of the 23rd February last, with respect to the application made by Mr. Edmund Marston to acquire under the Irrigation Act, the North East quarter of Section 5, Township 17, Range 4, West of the 5th Meridian, I beg to say that Mr. Marston has made application for homestead entry for the North West quarter of Section 4, and there is evidence on file to show that he was in residence on this land on the 1st May, 1905, when Messrs. Brown, Beddingfield and others acquired a lease of Reserve No.3751, including these two quarter-sections. The lease provides that in a case of this kind, 320 acres can be withdrawn from the leasehold for the settlers. I am going to advise the lessees of the withdrawal of the North West quarter of Section 4, and there does not appear to be any reason why the North East quarter of Section 5 should not be withdrawn at the same time, if you so desire.

Ottawa April 21st, 1911.

Sir:-

I beg to call attention to your file 1543, respecting the application of Mr. Edmund Marston to purchase the N.E.¼ of sec. 5, tp. 17, rk. 4, west of the 5th meridian under the irrigation system. Some time ago Mr. Marston tried to make homestead entry for the N.W.¼ of sec. 4 of the above township but was informed that the quarter-section was held under an irrevocable grazing lease by Messrs. Sadlnerfield and Brown. Subsequently it was found that he was residing on this quarter-section at the time the grazing lease was granted. This lease provides that in a case of this kind 320 acres can be withdrawn from the leasehold for the settler.

In view of the above it has been decided to permit Mr. Marston to make homestead entry for the N.W.¼ of the said section 4 and to sell to him, under the irrigation system, the N.E.¼ of sec. 5, tp. 17, rk. 4, west of the 5th meridian as soon as he has submitted the necessary memorial and plans and when authorization for the construction of the necessary works has been issued. Please inform him to this effect.

Your obedient servant,

P.N. Peters, Esq.,
Commissioner of Irrigation,
Calgary,
Alberta.

Asst. Secretary.

Ottawa, April 19th, 1911.

MEMORANDUM:-----Mr. York,

Re your memorandum hereunder.

In view of the fact that Mr. Marston's irrigation scheme on the N.E.¼ of sec. 5-7-4-5 is a feasible one and the fact that he has already incurred some expense in connection therewith, I think that, now a way has opened up for doing so, he should be permitted to purchase the said N.E.¼ of sec. 5 under the irrigation system.

After you have made the withdrawal of this quarter-section from the lease of Messrs. Brown and Bedingfield will you please have it reserved for sale to Mr. Edmund Marston, under the irrigation system.

DO NOT WRITE ABOUT MORE THAN ONE SUBJECT IN THE SAME LETTER—WRITE LEGIBLY YOUR FULL NAME AND ADDRESS.

To the Minister

of the Interior.

Sir,

I received your letter in which you acknowledge receipt of $6.40, for rent of School land 11-8-5, but you do not answer the questions I asked you.

I told you that on account of the importance that my flock is taking, I would like to rent the 1/4 West of Section 11 and which is, I believe, 11-8-5-5. I would like to rent the southern half of this land, about a quarter-section, which is the result of the cultivation. I told you that I wish to buy this quarter section as a pre-emption as I am putting all to cultivable land[illegible] section as reserved for me.

I would be obliged if you would reply to this letter by a favourable answer.

I am, Sir,

Your obedient servant,

In reply to your letter of the 12th ultimo, in which you apply to purchase certain lands for grazing purposes, I beg to point out that it is assumed that it is some portion of section 10, Township 6, Range 5, west of the 5th meridian you desire to lease, but it is not clear what portion it is. Will you furnish the Department with a definite description of the land you desire to lease.

You will be advised regarding your application to pre-empt the land.

Sir,

Referring to the copy received here of your letter of the 14th November, reference No. 85419, enclosing a letter from Messrs. Campbell and Gillis, Barristers of Blairmore, Alberta, in which application is made on behalf of Mr. Thomas [illegible] Cyr to acquire the small area in the N. W. ¼ of Section 10 and N. W. ¼ of Section 9 Township 8, Range 5, West of the 4th Meridian, lying south of the Crowsnest River, in connection with the S. ½ of the S. E. ¼ of Section 12, which land he claims to own. I beg to say that the land applied for in the N. W. ¼ of Section 9 is included in a North West Half Breed Scrip entry situated in Plan 1011, and the parcel applied for in the N. W. ¼ of Section 10, (which quarter section does form a part of the above Reservation) is at present held under a grazing permit. It will be seen, therefore, that the Department is unable to entertain the application.

I would point out that, in the event of the Crowsnest River has not been traversed it would not be possible to allocate the areas applied for from the remainder of the quarter sections.

The Agent of Dominion Lands,

Lethbridge,

Alta.

As regards the representations made that Mr. Cyr was assured that if the N. ½ of the S. W. ¼ of Section 10 did not contain 80 acres of good land, he would be given sufficient adjoining land to make up for the deficiency, in the event of there being such land available, I beg to point out that no trace can be found on file here of any such assurance having been given him.

Be good enough to advise Messrs. Campbell and Gillis in regard to Mr. Cyr's application in accordance with the foregoing.

Re: Benjamin S. Lowry, Taylorville, Alta.

Seed Relief.

Seed Grain and Relief Adjustment Board, acting under Order P. C. 1166, hereby recommends that the seed relief loan of $60.00, be accepted in full settlement of the final relief loan charged against the S.E. , 18-1-24-4. 4th Mer., for advances made to Benjamin S. Lowry.

The Board submits the report of the Inspector, dated December 1st, 1934, which gives full details of all loans made, and against which, no claims in respect of the recommendation:-

1. That the Crown is still the owner of the said land and that the Board is empowered to provide for the disposition of the same in accordance with the provisions of the Seed Grain and Relief Acts.

2. That the debtor has contracted to provide for the liability in full and having in view the location of the land and the circumstances of the case, it is desirable that the said settlement be accepted in compassionate grounds.

The Board therefore recommends that upon payment by the debtor of one-half of the amount to be paid under the terms of the agreement now in effect, the title obtained against the said land be discharged, and that the balance remaining unpaid be written off as uncollectible, and that the debtor be released from any further liability under the personal covenant.

This ... received an advance from the Provincial Government on April 1, 1938 in a sum of $187.00, in which connection repayments have been received aggregating $114.00, leaving a balance now outstanding as follows:

As security for these advances, the latter executed a ... lien against the above described property, and gave a chattel mortgage on five head of horses. The lien ... duplicate ... which ... this land, but ... latter ... have died ... years ago.

I beg to submit for your consideration a letter, December, of the 9th instant from Messrs. Short, Cross, Biggs & Bridges, stating that one of their clients claims to locate Scrip on the N.½ and S.W.¼ of Section [illegible], West 4th Meridian, and that as the owner of the scrip has not yet arrived in Canada they request that the said land be reserved for the purpose of locating the scrip in question thereon until the arrival of the Scrip.

We have in the past, in a few instances reserved land for a short time in order that scrip might be placed thereon, but I do not think this practice should be encouraged. A short time ago in a similar case in which the Scrip was involved, the Department refused to extend the time which had been granted within which the Scrip had to be located his scrip on an application to locate on the land had been received.

Sask R.

Gentlemen,

I am in reply to your letter of the 6th instant, written on behalf of a client of yours that the W.½ and S.W.¼ of Section 28--21--1, West 4th Meridian, be reserved from entry until the arrival in Edmonton of the Halfbreed Scrip it is proposed to locate on the said land, I am directed to say that a copy of this letter is being sent to the Agent of Dominion Lands at Edmonton with instructions to reserve the land in question for a short time for the above purpose. In this connection I am to add that the Department looks with disfavor upon land being reserved for the purpose of locating Halfbreed Scrip thereon, and that the usual practice is that land should be left open to homestead entry by the first eligible applicant who presents himself at the Land Office to make entry therefor.

Secretary.

To the Secretary,

Dear Sir,-

We have been contemplating building churches on several points, viz.:

1) Leg. Subd. 13 - Sect. 17 - Tp. 9 - Rg. 21, west of 4th meridian near Lethbridge

2) " " 14 " 17 " 9 " 25 west of 4th meridian near McLeod

3) " " 13 " 34 " 4 " 28 " 4th near Yarrow

4) " " 1 " 28, " 6 " 26 " " near Stand Off

For many reasons the erections of these churches had to be postponed, but as this part of the country is settling fast, we hope to be able to build in the course of the present year. An extension of time has been granted in the case of the first mentioned places; let us say to the end of December 1910.

Kindly favor me with a word of answer and believe me

Ref. 650667

Ottawa, 5th August, 1911.

Memorandum:-

I beg to return Bishop Legal's letter of the 13th June last, of which a typewritten copy has been made, to facilitate reference thereto, protesting against the area applied for, for church grants, being reduced from 40 acres to 10 acres, in cases in cases where the grants were authorized some years ago, when it was customary to grant 40 acres for church purposes.

The cases to which His Lordship particularly refers are the following mission grants, for which no patents have yet been issued:-

Near Macleod-- Legal Subdivision 14, of Section 17, Township 9, Range 25, West 4th Mer. (File 18812)

Near Lethbridge-- Legal Subdivision 13, of Section 17, Township 8, Range 21, West 4th Mer. (File 650819)

Near Cardston-- Legal Subdivision 1, of Section 31, Township 6, Range 25, West 4th Mer. (File 677/26).

Near Yarrow-- Legal Subdivision 13, of Section 34, Township 4, Range 29, West 4th Mer. (File 650667).

The ruling recently made was in connection with the grant last mentioned, near Yarrow, which was contained in the Deputy Minister's memorandum of the 29th May last, which reads as follows:-

"The decision in this case is that the Roman Catholic Church authorities are to be permitted to complete a grant of ten acres out of legal sub-division 13 in the North West quarter of section 34, township 4, range 29, west of the fourth meridian for church purposes. It will not be possible for the Department to consider their former request for forty acres, nor for the additional grant of legal sub-division 14."

Minister of the Interior.

Respectfully submitted,

Chief of Branch.

MEMORANDUM:

Mr. Marvie.

Re: Special Grant No. 1788.

27th of January, 1912, By Letters Patent of date the certain lands were conveyed to La Corporation Episcopale Catholique Romaine de St. Albert, St. Albert, Alberta,

"TO HAVE AND TO HOLD the same unto the Corporation, its successors and assigns, so long as the same are, and upon the trust and subject to the condition that the same shall be used for Church purposes, and for no other purpose or purposes whatsoever".

These lands are as follows:-

Legal Subdivision 1 of Section 28, Township 6, Range 26, West of the 4th Meridian, an area of 40 acres.

As you are aware, at the request of the Department, inspections of all special grants for specific purposes are being made, with the result that in this case information has been submitted by Inspector Wilcox under date October 2nd, 1929, to the effect that although there is a frame church 20' x 30' with cement foundation on this property no services have been held in it for about five years. The inspector values the church which has a cement foundation and is enclosed by a wire fence, at $1000.00. He does not give the area within the fence.

Possibly the church authorities may use this building again some time but its abandonment for five years would justify the Department requesting revestment of this land in the Crown. However, it might be sufficient to allow them to retain two acres around the church, and revest the rest.

Legal Subdivisions 2, 7 and 8, was patented to one C.J. Johnson as a purchased homestead on the 10th May, 1910, and should any of Legal Subdivision 1 ever revert to the C it would be available for sale to the present owner

balan

balance of the quarter. The inspector reports it is prairie.

Wherefore, inasmuch as this land is not being used for the purpose for which it was granted, I would suggest that La Corporation Episcopale Catholique Romaine de St. Albert, St. Albert, Alberta, be requested to take action necessary to have 38 acres of this Legal Subdivision revested in His Majesty the King in the Right of the Dominion of Canada by duplicate certificate of title free of encumbrance, registered in the Land Titles Office for the district in which this land is situated, without cost to the Department, and move their fence if, and as probably will be, necessary to divide the two acres to be retained by them from the balance of this Legal Subdivision.

Geo. F. Watt
Asst.

Should any of the instruments submitted not be acceptable to the Department, such will be returned to you with an explanation of wherein it or they require alteration or amendment.

Your obedient servant,

Commissioner.

Gentlemen,-

By letters patent of date the 27th of January, [illegible] subdivision 1 of section [illegible] township 6, [illegible] west of the 4th meridian, was conveyed to the Corporation Episcopale Catholique connue de St. Albert, St. Albert, Alberta,

"TO HAVE AND TO HOLD the same unto the Corporation, its successors and assigns, so long as the same are, and upon the [illegible] and subject to the condition that the same shall be used for church purposes, and for no other purpose or purposes whatsoever"

JAN 20

An official of this Department recently made an inspection of this property and has reported that although there is a frame church with good foundation located on this site, no services have been held in it for about five years.

Therefore, inasmuch as this land is not being used for the purposes for which it was granted, you are hereby requested to cause off the caveat against the patent and have executed an absolute and unconditional transfer of the remaining thirty-eight acres in duplicate, with proof of execution attached thereto, re-vesting this property in His Majesty the King in the right of the Province of Alberta, free of encumbrance, to secure which it will be necessary to also furnish a certificate, from such official as has authority to issue it, that there are no taxes unpaid, and also an affidavit by yourselves to the effect that there are no other claims against the property.

Upon approval by the Department, both copies of this instrument will be returned to you with others mentioned, and you will be required to submit this transfer in duplicate, with payment of the fee required, to the Registrar of Land Titles at Edmonton, Alberta, for registration, and thereafter forward duplicate certificate of title to this Department.

Dear Sir:-

I have forwarded through the Land Agent here a Statutory Declaration of John Arthur in connection with his homestead, being the South West Quarter of Section 6, Township 11, Range 25, West of the 4th. Mr. Arthur finds it impossible to fulfill his conditions ovint to the fact that he has to live within easy reach of a Doctor as he is troubled with chronic heart complaint. He would therefore ask permission of the Department to be allowed either to buy this quarter section at the usual Government price or to be allowed to locate half breed land scrip upon it. He has cultivated a considerable portion of the land, and his improvements amount to about a thousand dollars apart from breaking. It is his intention if he is allowed to apply scrip upon the land to live in Leavings and cultivate the land by hired labor. Mr. Arthur is not personally known to me, but if any question of the bone fides of the application is raised he asks me to refer to Mr. J. McKenzie, M.P.P. for Macleod District, or to the Bank Manager there. If desired I will procure a certificate from his medical attendants certifying as to the correctness of his statement that he is unable to live upon his homestead without danger to himself.

A report is asked for in this case.

Onesime Bouchard has entended the North West ¼ of Section 14, Township 57, Range 25, West of the 4th Meridian, but did not perform the residence duties He lived with his son, who is the Parish Priest ad Legal, on a lot of 40 acres, upon which the Roman Catholic church is built; for this reason, his application for patent has been refused.

Subsequently a supplementary statement was submitted that he has purchased three acres of the ¼ section where he had resided for about seven years; but as you are aware the Department does not recognize residence on purchased land unless it is 40 acres in extent.

The case was then submitted to the Minister for ~~a decision~~, and he decided to allow Bouchard to buy his homestead at one dollar per acre. The necessary instructions were sent to the Agent at Edmonton, on the 15th of February, 1907.

The Board submits the report of the Director, Debt Adjustment Act, dated October 16th, 1930, which report gives full details of all liens registered against the said land, and states in support of the recommendation;-

2. That the Mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.

3. That the chattel mortgage security taken as collateral to the advances has disappeared.

4. That there is no possibility of making any collection from the debtor under his personal covenant.

The Board therefore recommends that all liens charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Gottlob Holm

Local Agent of Dominion Lands or Homestead Inspector.
for the Edmonton District

now living with parents 9020 - 110 Ave
Edmonton, and at present sick . states as follows :-
I own homestead N.W.6.52.28th Carvel P.O. Alta.
I am acquainted with Ernest Hannsen whose homestead is a
little more than a half mile from mine.

Hannsen's homestead has been filed on and abandoned several times previous to Hannsen filing on it. It is a heavily timbered quarter section and Hannsen "proved up" by cattle clause. There was very little breaking done on this land at time of application for patent . I should say there were not more than two acres broken. Hannsen paid for improvements (at time of filing) which were buildings and a dwelling house.

There were some rumours that the cattle were the property of Hannsen's uncle, but Hannsen informed that the cattle were his own property.

Regarding the disloyal statements of Hannsen. I have heard these stories. But I have never personally heard him make any disloyal statements. During the war I lived beside Hannsen and had many conversations with him and arguments too, on the war but I could not say that he made any disloyal statements.

I am a Welsh-man and have had three brothers who served in France with the British. - Edgar served with the Alberta Dragoons. David with a draft from 194 Battn. and Ben enlisted in the 66th Battn., but was failed to get through on some disability, he then went to Wales and later served with a Welsh Regiment, so having my three brothers fighting the Germans I would and could not tolerate and disloyal statements from Hannsen, if he had made them.

Hannsen's father was a Dane, his mother full German. His uncle- Hans Broem,(mother's brother) is German and very much so, but is no soldier. He deserted from German military service. He is a German socialist.

As far as I know of Hannsen. He is a good fellow and not an agitator. He is a smooth talker and quite religious. "

(Sgd) Wm.Morris.

Witness (Sgd) H. Jackson
Edmonton 28th July 1920.

David Watson 10613- 103rd. Street. Edmonton.

States as follows :-

"I have known Ernest Hannsen of Carvel f
for four years. He and I were neighbours south of Carvel P.O. As far as I know Mr Hannsen is alright and a good neighbour . I have never known him to be an agitator nor make any disloyal statements . I lived within a mile of Hannsen and met him frequently during the time I was in the district (during the war) I left Carvel last fall."

(Sgd.) David Watson
Witness. (Sgd) H. Jackson. Edmonton 28/7/20.

I believe that this complaint is made for ulterior motives on the part of the complainant. This land in question having been cleared and other improvements would be very convenient for the complainant who has need of pasture on thi land which is now being fenced up.

Ernest HANNSEN ------- Homestead Act. 440491

On 8th instant I travelled to Carvel district investigating the above case. Owing to several of the witnesses being away I was able only to interview the complainant John M. Frank, who gave me the following statement :-

" I am an American, born in the State of Wisconsin U. S. A. I am a neighbour of Ernest Hannsen, who lives on the next quarter section Viz:- N. E. 18-52-25W4th. Carvel district.

(1) Regardong the cattle on Hannsen's place I received a letter from the assistant Secretary of Ziais Interior dated 28th June 1920, which states that he (Hannsen) is not proving up his homestead on the Stock provisions of the Act, and that the Homestead Inspector states that he has sufficient ~~provision~~ improvements ~~+~~ I know that he has only six acres broken and under cultivation and no more broken , except what he is now breaking. He started breaking about a week ago.

(2) I do know, because he told me so, that he went to the American Consul in Edmonton, before America went into the War, and wanted to report to the German Consul through the American Consul . The American Consul, at this time was very angry with him about his action and told him to go to the Police. He is not loyal to Britain. He approved of the "Sub warfare" . He was always glad when he heard of ships being sunk, and said it would help. He always said the Germans were in the right, and would win.

I have had a German education, and speak the German language.

Hannsen is a bad character. "

(Sgd) John M. Frank

Witness. (Sgd) H. Jackson.

Carvel July 8th 1920.

Mr. Frank advised me to interview David Watson and William Morris, neighbours who were at present in Edmonton. Stating that these men could testify to the disloyality of Hannsen.

I was unable to locate these men in Edmonton. and visited the Carvel district again on 28th inst., and inspected the Hannsen homestead and had casual conversations with some of the neighbours. These neighbours spoke highly of Hannsen.

Hannsen is at present breaking on this land and has upwards of thirty acres broken., which is a very hard job, owing to the land being covered with heavy poplar.

Yesterday I got in touch with William Morris, who has just returned to the City, and is at present sic' I also got in touch with David Watson who has been worki with his horses in the subu...os. I obtained statements f... these men which are as follows :-

Sir,-

I am to acknowledge the receipt of your letter of the 11th instant, and in reply to say that it is not clear from your statements that the required residence has been performed upon the homestead of your deceased father, the during his life-time he is said to have held a pre-emption, Township 1, Range 10, West Fourth Meridian. It is necessary that six months should be spent during each of three years at least upon the homestead even if your father did not do so, before you can complete the condition and then apply for patent. The time spent upon your own homestead, however, cannot be accepted as a performance of his duties.

Sir,

Referring to your application for patent for the N½ of Section 34, Township 19, Range 26, West 4th Meridian, as legal representative of the late John Webb, I beg to enquire whether the stock mentioned in that application is your own property or the property of the estate of the late homesteader.

I would point out that in cases where application for patent is made on behalf of a deceased homesteader, it is necessary to show that any stock claimed is the property of the estate.

Secretary.

Sir,

I beg to acknowledge the receipt of your letter of the 6th inst., and in reply to say that you will find on page 8 of the enclosed pamphlet the regulations governing the conditions of duties on behalf of the legal representative of a deceased homesteader.

Encl.

I would point out that until those conditions are complied with no application for patent can be considered.

In the case of Jno. Doe, who was the actual owner of 10 head of stock it can be accepted, provided that he lived on the land and had the necessary stabling accommodation; but stock owned by the person who undertakes to complete the duties will not do. It must be actually the property of the estate.

This he has now done and wishes to obtain patent. As a matter of fact the local agent of Dominion Lands had recommended the issue of patent and it was a surprise to Mr. Bell when your Department wrote requiring performance of further duties, as his understanding of the case was, that as legal representative of his father's estate, he might complete the duties by stocking the homestead, which he had already done and which he thought met the requirements. He has now however broken 45 acres of the land and erected a barn thereon, size 18 X 32 and 12 foot walls,- the barn is not quite complete as yet but will be so in the course of ten days and will be worth considerably over $400.00.

F.A. Ref. 874,160.

School Lands Branch,

Ottawa, 5th March, 1906.

Memorandum:

In February, 1905, the Agent of Dominion Lands, Edmonton, reported the application of Mr. James A. Scott for homestead entry for the south-east quarter of Section 29, in Township 53, Range 9 west of the 4th Meridian, on the ground of settlement prior to survey.

There is of record in the Department a declaration made by Mr. Scott before Mr. F. W. Lendrum, D. L. S., to the effect that he settled on this land on the 1st February, 1902, and up to the date of the declaration - the 11th March, 1904 - he resided continuously on the land. He claimed to have two houses and a stable on the land valued at $200, and also a log building valued at $50, two acres of breaking, and about a quarter of a mile of wire fencing, which he valued at $75.

It was decided, however, that before entry could be granted, it would be necessary to have an inspection made of the land to verify the statement as to the improvements, and also to ascertain whether or not another quarter-section could be obtained in the same township in lieu of it.

The Agent now forwards the report of Homestead Inspector Holden in regard to the quarter-section, in which he

W. W. Cory, Esq.,

Deputy Minister of the Interior,

O t t a w a .

he states that he values the improvements as follows :- 2 log houses $125; 1 log stable $40, and a well valued at $15.

He adds that the fen posts are partly put in about the section. There are 16 acres of breaking valued at $64. No stock. He recommends that the South-west quarter of Section 18, in the same Township, be set apart in lieu.

This land is clear in the records of the Department, and, if you approve of Inspector Ormsby being granted Mr. Scott the South-east quarter of Section 29 in question, and also of the selection of the South-west quarter of Section 18, in Township 51, and 9 West of the 4th Meridian, as school land in lieu of it, I will notify the Agent accordingly, and have the south-west quarter of section 18 gazetted.

E.J. Fream, Esq.,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:-

Re: James A. Scott, Seed Grain & Relief,
M.D. of Melberta, #483, S.E. 29-51-9-4.

This man obtained SeedGrain and Relief from the Municipal District of Melberta, No. 483, on the dates and to the amounts as shown hereunder:-

Seed Grain.

Feb. 1, 1919.....	$312.50
Apl. 1, 1920.....	108.00
	$ 420.00

Relief.

April 7, 1920.....	$150.00

On Jan. 26, 1924 he made a repayment on the Seed Grain account of $86.80 and after making allowance for this payment the balance of his account on Dec. 31, 1931 will be as shown hereunder:

Seed Grain.

Principal.....	$420.50
Interest.....	255.12
	$675.62

Relief.

Principal.....	$150.00
Interest.....	112.74
	$262.74

As security for these advances, liens were signed and registered against title to the S.E. of 29-51-9-4 by means of instruments numbered 4876 B.M., 10278 C.B. and 10279 C.B.

This land was at the time the property of the debtor, but the liens of the Municipal District were all subsequent to a mortgage registered by Mary B. Roberts for $1500.00 on Dec. 30, 1911.

Scott was not successful as a farmer, and when he lost his land the Merchants Bank took all his goods and chattles. He left there for Prince Rupert where he was heard of last, but nothing has been heard of him for some time.

When he left the district he left a number of debts behind him, and there is absolutely no hope therefore, of making any collection on account of the outstanding Seed Grain and Relief.

His personal covenant is of no value, and the Municipal District has listed the account as uncollectable.

I therefore recommend that the account be written off as uncollectable, both in so far as it affects this man's indebtedness to the Municipal District, and the indebtedness of the Municipal District to the Province of Alberta.

Principal.....	$150.30	Principal.....	$150.00

James A. Scott,
M. D. of Melberta No. 483.

The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Municipal and Joint Relief, charged against the S.E.¼, 29-51-9-W. 4th Mer., for advances made to James A. Scott, by the Municipal District of Melberta No. 483, be discharged.

The Board submits the report of the Director, ebt Adjustment Act, dated November 15th, 1930, which report gives full details of all liens registered against the said land and states in support of the recommendation;-

1. That at the time the advances were made the debtor was the owner of said land subject to a first mortgage in favor of Mary E. Roberts, which had priority to all liens.

2. That the Mortgagee foreclosed upon her security and became the registered owner of said land and that by such foreclosure all liens were eliminated therefrom.

3. That the debtor's chattels were seized and sold by the Merchants Bank of Canada.

4. That after losing all his property the debtor left the District and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

MEMORANDUM:-

Mr. Duncan J. Campbell made application on behalf of F. Burton to purchase the S.W.¼ of Section 23, Township 12, Range 30, West of the 4th Meridian, as far back as March, 1904, and the usual reply at that time was given him, which was that the land was not for sale, but that it was proposed in the future to sell any odd numbered sections which might remain at the disposal of the Government after the Railway Land Grants had been satisfied, and that it was the intention of the Department to sell these lands, as far as possible, to actual settlers, who would go on the land, or to settlers of adjoining homesteads.

Mr. Burton now renews his application, and points out that his homestead adjoins the land applied for on the South: and that he has 14 acres under cultivation, and the whole of the quarter fenced.

The quarter section is vacant in the records of the Department, and is marked on the list of lands available under the Dominion Lands Act, 1908, as "Clear." It is not in the preemption and purchased homestead tract.

Please see the sketch annexed hereto, on which Mr. Burton's homestead, which contains 159 acres, is shown hatched in blue, and the land applied for, hatched in green.

Sir:-

Referring to your communication of the 28th ult., File 874772, re. the original applicant for cancellation of Mr. Hewitt's entry, did not come forward and take this quarter section when he was given an option within which to do so. After this option had expired the Department saw fit to reinstate Mr. Hewitt in his entry, and this action was taken at this office on the 1st of May, 1906. On the 19th of June, 1906, Mr. R. T. Parker made application for cancellation of this entry, and proceedings should have been taken on this application in view of the reinstatement of Mr. Hewitt in his entry.

I may say that the letter notifying Mr. Porter of his option was returned from his address, by the Post Office Department marked uncalled for it having first been advertized. In view of this I would consider that Mr. Parker should have the first opportunity of making entry for this quarter section. Kindly advise.

Dear Sir:-

				$1,515.76	

As security for the advances liens were registered on title to the above described quarter section. The Provincial liens were subsequent to a mortgage held by the Manufacturers Life Insurance Company. This mortgage was foreclosed and the Provincial liens were eliminated by Vesting Order. Clear title to the property now stands in the name of Christoph Vossler, who purchased the land from the foreclosing mortgagees.

The Collection Department were successful in salvaging the sum of $412.28 from the deceased debtor's estate, and this payment was applied pro rata to the Seed Grain and Relief accounts in the year 1930.

There is no further security for this account, and I recommend that the unpaid balance be written off the Departmental records as being uncollectable.

Yours truly,

Dominion & Provincial Liens.

The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Dominion, Provincial and Joint Relief, charged against the S.W.¼, 12-9-17-W. 4th Mer., for advances made to Wilford Grant, be settled for the sum of $35.10 for Dominion Liens, and the sum of $224.90, for Provincial and Joint Relief Liens.

The Board submits the report of the Director, Debt Adjustment Act, dated February 14th, 1931, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of the said land subject to a first mortgage in favor of the Imperial Life Assurance Company.

2. That the said land is now encumbered with the first mortgage, to the Dominion, Provincial and Joint Relief Liens, and a second mortgage to the Canadian Bank of Commerce, and that the claims chargeable against the said land amount to approximately $5,397.91, while the present fair actual value of the land does not exceed the sum of $2,000.00.

3. That the Canadian Bank of Commerce have purchased the first mortgage on which the sum of approximately $3,000.00, was owing, for the sum of $850.00; that the Canadian Bank of Commerce have arranged to secure title to said land in full settlement of all claims against the debtor, and as a consideration for the transfer of the land to them, in lieu of foreclosure proceedings, have tendered the sum of $250.00, for the discharge of the liens.

4. That the affairs of the debtor have been under the supervision of the Director, Debt Adjustment Act, and the Director, has arranged a satisfactory compromised settlement with all of the Creditors.

5. That the debtor has already made a substantial payment on account of the Dominion advances, and taking this into consideration the proposed settlement is fair and reasonable and it is desirable that it be accepted on compassionate grounds.

6. That the debtor is reported to be a hard-working, honest farmer and with the settlement of his accounts will be in a position to start farming operations in a better located District, with a possibility of making a success.

7. That the amount paid for the discharge of the said liens be apportioned as follows:-

To Dominion Liens	
Provincial Seed Grain	$ 25.10
Joint Relief Liens	133.60
Total	91.30

The Board therefore recommends that upon payment of the amount apportioned to Dominion Liens, together with one-half the amount apportioned to Joint Relief Liens, under the terms of the Agreement now in effect, that all liens charged against the said land be unconditionally discharged, any balances remaining unpaid be written off as uncollectible, and the debtor released from any further liability under his personal covenant.

IN YOUR REPLY REFER TO FILE NO. X-C-101
D-G-77.

February 14, 1931.

E. J. Fream, Esq.,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir: Re - Wilford Grant - S.W. 12-9-17-W4.
Dominion & Provincial Liens.

Wilford Grant obtained the undermentioned advances from the Government of the Dominion of Canada on the security of liens on the S.W. 12-9-17-W4:-

1914	Relief	$35.00
1915	Fodder	68.14
1915	Seed Grain	123.15
		$226.29

He has made repayments amounting to $162.97. With interest to December 31, 1930, his indebtedness amounts to $140.76.

Wilford Grant also obtained the undermentioned advances from the Government of the Province of Alberta on the security of liens on the S.W. 12-9-17-W4, of chattel mortgages and of promissory notes:-

Seed Grain	April 14, 1920	$299.36	2678 C.W.
	March 24, 1922	129.32	700 D.X.
Relief	April 15, 1920	100.00	2534 C.O.
	March 4, 1922	43.52	2512 D.Y.
	April 25, 1922	64.15	2513 D.Y.
	April 25, 1922	52.81	651 D.X.
	May 6, 1922	49.78	5291 D.Y.
		$738.94	

He has made no repayment. With bank charges and interest to December 31, 1930, his indebtedness is as hereunder shown:-

Seed Grain	Principal	-	$474.03	
	Interest	-	272.89	$746.92

E. J. Fream, Esq.,

$746.92

Relief

Principal -	$310.26	
Interest -	199.87	
		510.13
		$1257.05

Mr. Grant has become very heavily involved financially. In 1928 at his request I arranged compromise settlements of the claims of those of his creditors which were secured against the S.W. 12-9-17-W4 with the idea of clearing title to that land for him, but he was unable to take advantage of the offers.

He is registered owner of this property, which is subject to a first mortgage to the Imperial Life Assurance Company, to the Dominion and Provincial seed grain, fodder and relief liens and to a mortgage to the Canadian Bank of Commerce, registered on the title in the order given.

The amounts owing are as follows:-

Imperial Life Assurance Company (approximately)	$3,000.00
Dominion Liens	140.76
Provincial Liens	1,257.05
Canadian Bank of Commerce (approximately)	1,000.00
	$5,397.81

The land is not worth the amount of the first mortgage and certainly could not be sold for more than $2,000.00. It is situated near Taber in a dry district.

Early this year, the Canadian Bank of Commerce made arrangements to purchase the first mortgage and to foreclose. They would thus have removed the Provincial liens, and would then have applied for release of the Dominion liens on the ground that they had held a prior mortgage under which they had sustained a loss.

They requested Grant to consent to Order Nisi with a short redemption period but he refused, whereupon they approached me with a request that I influence him to give consent, on the grounds that he would be released from liability for his indebtedness to the Imperial Life Assurance Company and to themselves as well as for his seed grain, fodder and relief indebtedness.

I was already aware that Mr. Grant's personal covenant was worthless. I pointed out to the Canadian Bank of Commerce that they would not necessarily release Mr. Grant from liability for his

seed grain, fodder and relief indebtedness, merely by eliminating the liens.

I suggested, therefore, that, as Mr. Grant, in refusing to accede to the Bank's request, was mainly concerned in obtaining release from as much indebtedness as possible, I would influence him, not merely to consent to Order Nisi with a short redemption period, but rather to transfer the property to the Bank.

He has done this; the Bank have purchased the first mortgage for $880.00; they have undertaken to discharge Mr. Grant from all liability under the mortgages; and they have tendered $250.00 as consideration for release of all the seed grain, fodder and relief liens, and of Mr. Grant from all personal liability to repay his seed grain, fodder and relief indebtedness.

I have undertaken to recommend acceptance of this offer.

If the Bank foreclose under the first mortgage, they can eliminate the Provincial liens and can apply for release of the Dominion liens, which latter you would grant.

The debtor's personal covenant is valueless and the chattels mortgaged as security for the joint relief advances are no longer in existence.

In the circumstances I consider the offer of $250.00 in settlement of this seed grain, fodder and relief indebtedness a good one. I believe also that the arrangement will be beneficial to Mr. Grant, who is a hardworking, honest farmer, as it will enable him to start afresh in a better location, free from heavy liabilities and from hampering writs for deficiency judgments.

I have distributed that sum pro rata between the indebtedness to both Governments in the following manner:-

Dominion Liens.	$25.10
Provincial Seed Grain	133.60
Provincial Relief	91.30
	$250.00

I attach cheque for $25.10 payable to the Financial Controller, and recommend that the Department of the Interior release the undermentioned liens from title to the S.W. 12-9-17-4; that they release Mr. Grant from personal liability to pay his seed grain, fodder and relief indebtedness; that they write off the unpaid balance of this account.

E. J. Fream, Esq.,

The liens to be released are as follows:-

$123.15 68.14 35.00	registered	July 5, 1915	as 67 B.L.
	"	January 1, 1916	as 1753 B.L.
123.15 68.14 35.00	"	December 27, 1916	as 6829 B.L.

I attach my cheque for $224.90 payable to the Seed Grain & Relief Branch, Department of Municipal Affairs, and recommend that the Officer in Charge release the Provincial liens from title to the S.W. 12-9-17-W4; that he release Mr. Grant from all personal liability to pay his seed grain and relief indebtedness; that he write off the undermentioned unpaid balance thereof:-

Dear Sir
I write to
write you with regard to sec 4 Township
15. Range 27, west of W Mal which is said to be
held by J B Powell.

It is understood that the notice
certain conditions I may say that he
has done practically nothing on it.
and with the exception of the south
west quarter, he has never lived on any
part of the land nor ever made
any provision for to do so.
It is understood that he was to have
started a town, but with the exception
of a store, which was built by one
W. H. Freeman (who also has the
P.O.) last fall, there has nothing

done, Mr. Powell has made a great many promises, but which has not been carried out, this thing has happened so often and so long that the settlers in this part of the country have lost all faith in him, and the general opinion is that he has sheld the country back more than all the good he has done,
Even any quarter of the section is protested, it is open for homestead entry.

I have been informed on good authority that Mr. Powell is not keeping the taxes paid up on the lands that he holds heare,
If this section was open up to P. Fil. it would soon have sufficient appearance
If you do me the favor of giving the information asked for,

I am Sir, Yours

Dear Sir,

I've been selecting homestead upon which to build a sawmill & Electric Power Plant and in making the selection. I asked for the largest scale map avail as he showed me of the Section, and the Township, but he told me I would have to write to the Department for one that it would cost me 15/. I willingly offered to pay that or more, but that party waiting on me said they could not part with the one they had as it was for reference only.

I therefore enclosed stamps of 40/ for Sections 21-25-S.E.Part 23, and Township map of Township 51, West the 5th Meridian and wish to know if two pieces of 25 & 23 lying between the S.E.¼ of 24, the ¼ I am applying for & lying between my ¼ & the river front can be arranged to purchase. The strip in 23 is about 25 or 9 acres, the strip on the east lying between the river & the ¼ I am applying for may be a few acres more & possibly belongs to the C.P.R. The clerk attending me said he thought the Department could and would arrange all this as there was need of a good sawmill in that district.

Your early answer will oblige

Yours truly,

(Sgd.) J. Bailey Powell

P.S.

I formerly homesteaded the ¼ on which the Town of Parkland is located, and at the request of the Minister of the Interior sold it to the Parkland Townsite Coy., so that they could Deed Land to the C.P.R. for station purposes. And gave me authority in writing to re-locate at any time which I have not used until the present. The Honourable Clifford Sifton was then Minister of Interior. You will find copies of these negotiations & my authority to locate which it may be necessary to forward to this office.

Dominion Lands Branch.

Reference No. 511515 is forwarded to your branch together with the files relating to the various lands referred to therein, and as Mr. J. Bailey Powell apparently desires to make homestead entry on the S.E.¼ of Section 26, Township 51, Range 3, West of the 5th Meridian, your attention is drawn to the postcript on his letter above mentioned, also the departmental letter of the 1st February, 1911. Please see his notations on the township plan on file 515210 herewith and in this connection I might say that an application to purchase could not be considered unless the applicant is the holder or owner of land and desires to purchase an area not exceeding 80 acres lying alongside his property, according to the usual practice of the Department.

Sir,

Referring to your letter of the 16th April last, enclosing plan of Township 51, Range 3, West of the 5th Meridian, relative to your desire to acquire certain lands for power development purposes on the north shore of the Saskatchewan River in Sections 23, 24, 25, 26 and 27 in the said Township, I beg to say relative to the question of your exercising your right of homestead entry that provided you have never done so, you are at liberty to make entry for any vacant and available quarter-section of Dominion lands on the ordinary terms, surrendering in connection therewith the Departmental letter of the 1st February, 1911, file 675a14.

With regard to the S.E.¼ of Section 26, Township 51, Range 3, West 5th Meridian, which is indicated on the plan as being the land you desire to homestead, I may say that according to the records here this quarter-section is vacant and available and if you wish to make entry therefor you will require to make application at the Dominion Lands Office at Edmonton, undertaking in connection therewith to perform the requisite settlement duties called for under the homestead conditions of the Dominion Lands Act.

Concerning the question of your constructing a bridge across the river to connect with the island in the S.E.¼ of Section 26 I may say that this matter comes within the jurisdiction of the Department of Public Works and for further information I would refer you to the District Engineer of that Department at Winnipeg. However, I understand that permission to construct a bridge would not be entertained unless you are the owner of or have acquired some possessory interest in the land to be served by the bridge on both sides of the river.

With regard to the remainder of the lands referred to, you will be further advised in a separate communication, although you have already been informed that Dominion lands are not for sale except in the case of fractional areas of eighty acres, or less, which may be disposed of to the owner of or entrant for an adjoining quarter-section.

Would you be good enough to look over the correspondence from Mr. J. Bailey-Powell, Manager for the Baron-Thorneliff-Moore Investment Syndicate of Vancouver, on H.C. file No. 1126581 herewith, and advise me whether the scheme of power development he seems to have in view comes within the scope of your regulations.

You will also see on file a plan of Township 51, Range 3, west of the 5th Meridian, on which Mr. Bailey-Powell has marked the lands he desires to acquire in the development of this scheme. Our correspondent has been advised concerning his right to a homestead and also as to the provision of the Dominion Lands regulations with regard to acquiring Dominion Lands by purchase. The scope of regulations does not seem to meet the requirements of the case entirely, it being apparent that a somewhat ambitious project is under consideration by Mr. Bailey-Powell.

Before dealing with the matter further I should be glad to have your views.

Sir,-

I am to acknowledge your letter of the 19th and 23rd May last, respectively, in connection with your desire to acquire by purchase, and under homestead entry, certain land in Township 51, Range 3, West of the 5th Meridian, in pursuance of an industrial project.

Inasmuch as the success of the scheme appears to be largely dependent on your securing the particular lands designated, I beg to advise for your information that the land in all cases is not available, and to report in connection with each quarter section as follows:

Re S.G.R. 32-49-12-4. 4th Mer.,
Fred Wright,
Seed Grain and Relief Indebtedness.
M. D. of Lacrview No. 414.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2176, hereby recommend that any liens, Municipal and Joint Relief, charged against the S.G.R. 32-49-12-4. 4th Mer., for advances made to Fred Wright, be discharged. Such advances were made by the Municipal District of Lacrview No. 414.

The Board submits the report of the Director, Seed Assistment Act, dated July 9th, 1931, which report gives full details of all liens registered against the said land, basis for consideration of the recommendations:-

1. That at the time the advances were made the said land was the property of the owner of said land and did not form part of the real interest owner to charge the liens against the land.

2. That the registered owner of the said land for some time and the Administrators of her estate have requested that the liens be discharged therefrom, and this request was refused by the Municipal District of Lacrview No. 414.

3. That the letter dated from the district some time ago and the nothing from other collection matters with under the previous covenant.

The Board therefore recommends that the liens be unconditionally discharged, and that a letter be written to the writer of correspondence.

Chairman, Seed Grain & Relief Adjustment Board.

Member, Seed Grain & Relief Adjustment Board.

The Honorable,
The Minister of the Interior,
Ottawa, Ontario.

The Tax Consolidation Board, hereby recommends that any liens charged against the S.E.¼, 32-69-12-W. 4th Mer., for advances made to Fred Wright, by the Municipal District of Lakeview No. 454, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was not the owner of said land and did not have the consent of the registered owner to charge the liens against the land.

2. That the registered owner of the said land died some time ago and the Administrators of her Estate have demanded that the liens be discharged therefrom, and this demand was complied with by the Municipal District of Lakeview No. 454.

3. That the debtor moved from the District some time ago and has nothing from which collection could be made under his personal covenant.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Lakeview No. 454, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

E.J. Fream, Esq.,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:-

Re: Fred Wright, S.E. 32-49-12-4,
M.D. of Lakeview, No. 454, Seed Grain & Relief

This man obtained the following advances for Seed Grain and Relief from the Municipal District of Lakeview;

Seed Grain	March 25, 1920	$37.50
" "	May 31, 1920	73.00
Relief	June 20,1921	230.04

On January 2, 1926 he made a repayment of $66.73 on account of Seed Grain. After applying this payment his indebtedness on Dec. 31, 1930, with interest at 7% is as shown hereunder:-

Seed			Relief		
Principal	-	$87.49	Principal	-	$230.04
Interest	-	30.58	Interest	-	153.51
		$118.07			$383.55

The second advance for Seed Grain, and the advance for relief were both secured by means of liens registered against title to the S.E. 32-49-12-4 by means of instruments numbered 11916 C.B. and963 C.L.. but no land security was taken for the advance of 337.50.

Wright was never at any time the registered owner of this land and although the owner gave permission for the lien to be registered, she did not sign any document to that effect, and there was no legal hold upon her for the indebtedness.

Mrs. McDougall, the owner, eventually died, and the administration of her estate passed into the hands of the National Trust Company who forced the removal of the liens, and now hold clear title.

Some years ago Wright took his stock and equipment and moved from that District. He was evidently not any more successful in his new location than he had been at Lakeview. The last report that was had of him was to the effect that he had been prosecuted for non-support of his family.

Any collection on this account therefore, cannot be expected, and the Secretary-Treasurer has reported it as being uncollectable.

I therefore recommend that the account be written off as uncollectable, bothin so far as it affects Wright's indebtedness to the Municipal District, and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,

Director.

Sir:-

In July, 1899, Alec Curry and Thomas McAvity, of Innisfail, located a ranch near the Battle River, on unsurveyed land. They erected buildings and stocked the ranch. Curry has since resided in Innisfail most of the time, but McAvity has lived continuously on the land. Survey was made in September, 1903, and the survey shows the improvements made by Curry and McAvity to be on the west half of 2-38-14-4, and on the north-east quarter of 3, the same township and range. They had located on a creek for the sake of the water of the creek and because of a spring that opened out on the south-east quarter of three. Their improvements are as follows: south-west quarter of 2, house 20 feet by 30 feet, two horse stables, one calf stable.. On north-west quarter of 2; one house built, twelve acres broken, thirty acres fenced and a bridge 120 feet long built across the creek. On the north-east quarter of 3, is a stable 36 feet by 48 feet, and 28 acres broken and fenced. The spring on the south-east quarter of 3 gives value to the whole ranch. At present they have 190 head of cattle and twenty head of horses on the ranch. They desire protection for their improvements and investment. McAvity has homesteaded, or is prepared to homestead a quarter of 2, upon which he would be entitled to patent forthwith. Curry would not be entitled to patent on the ground of residence, to the other quarter, and would much prefer to pay at the Government price

than to be compelled to do homestead duties. On the ground of having been in occupation, and having the improvements made before survey, I would respectfully urge that Messrs. Curry and McAvity be permitted to purchase that quarter of two occupied by their improvements, but not covered by Mr. McAvity's entry; and also that they be protected as being in occupation beofre survey, in their right to the east half of 3, which they also desire to purchase. As I understand they have no improvements on the south-east quarter of 3, it may be that the Department is unable to protect them in regard to that quarter, but I would urge very strongly, that they be protected to a finish in regard to the north-east quarter of 3. by being permitted to purchase from the Government.

Yours respectfully,

Frank Oliver

L. P. 875526.

Ottawa March 31st, 1904.

MEMORANDUM.

Mr. Frank Oliver writes on behalf of Messrs. Alec Curry and Thomas McAvity, representing that before survey they made improvements upon the W. ½ 2 and the N. E. ¼ of 3 in 38--14 W. 4th M., and desire to acquire this land.

The improvements effected by these gentlemen are as follows:-

N. W. ¼ 2, twelve acres of breaking, thirty acres fenced, one bridge and a house.

S. W. ¼ 2, a house 20 x 30, two stables and a calf stable.

N. E. ¼ 3, a stable 36 x 48, 28 acres broken and fenced.

McAvity homesteaded the S. W. ¼ 2 on the 28th December, 1903, so that his claim as a squatter has been disposed of.

Curry was not a squatter, but lived in Innisfail. As, however, he has made considerable improvements besides running a large number of stock, Mr. Frank Oliver urges that the N. W. ¼ 2, as well as the E. ½ of 3, should be sold to him or to both the settlers. It is not clear which he means.

The N. W. ¼ 2 is vacant in our books, but the E. ½ of 3 has been accepted by the C. P. R. Co. and is, consequently, not available.

Respectfully submitted,

Sir:-

Referring to your letter of the 17th ult., on behalf of Messrs Curry & Wealvity, I beg to inform you that according to our records, Mr. T. V. Wealvity has obtained under homestead entry, the S.W. ¼ of section 2, Township [illegible], Range 14, West fourth meridian. The N.W. ¼ of the same section upon which improvements have been made, is vacant and if Mr. Curry desires to secure it as a homestead, there is no reason why he should not do so. The cannot however, be permitted to purchase it as the Department is reserving even numbered sections exclusively for homestead entry.

With regard to the E. ½ of Section 3, adjoining I am to say that this land having been accepted by the Canadian Pacific Railway Company as part of grant, it will be necessary for Messrs Curry & Wealvity to deal with that corporation if they wish to secure it.

Hon. Clifford Sifton,
Minister of Interior.

Sir:-

I beg to enclose herewith a letter received from the Secretary of your Department in regard to an application to acquire certain lands, by Messrs. Curry & McAvity of Innisfail. The point at issue is as to whether the Government will protect bona fide settlers before survey in their improvements, whether on C.P.R. or Government land. These people are bona fide ranchers on a very considerable scale. My previous letter placed the facts in the possession of your officers. There is no question about the bona fides of the parties, it is only a question of whether it is the policy of the Department to protect such parties in their improvements made before survey.

You are no doubt aware that such has been the practice of the Department in the past, and I would strongly urge that it be maintained for the future, and that Messrs. Curry & McAvity be given the benefit of it.

Yours respectfully,

~~Frank Oliver, M.P.~~

Memorandum :- Mr. Greenway.

Please let me know what improvements were made in each case referred to, and were they made before or after survey.

Ottawa, April 27th, 1904.

Memorandum:

Mr. Tift n,

With regard to the case of Messrs Curry and McAvity, about which Mr. Oliver has written you on the attached file, I beg to say that Mr. McAvity has homesteaded the S. W. of Sec. 2, Tp. 22, R. 14, West of the 4th. Meridian. That settles any claim he may have.

There is no question, I suppose to me, that Mr. Currie has an interest over of the North West Quarter of the same section, to wit:- Homesteading that quarter. As to selling, however, that is entirely contrary to the policy of the Department, and as all even sections have been kept for homestead, I do not see any ground for a sale simply because Mr. Curry has possession of the land, evidently without any intention of ever becoming a homesteader.

As to the East half of Section

3

3, this having been accepted by the C. P. R. as part of their land grant the Department cannot undertake to deal with it.

Deputy Minister.

Dear Sir,

Referring further to your letter of the 12th inst. in the matter of Mrs. Perry and others, relating to the alleged forfeiture of the 11th of [illegible] I cannot see that Mrs. Perry can be very much aggrieved in the matter. Their rights as purchasers are limited and defined by the Dominion Lands Act. [illegible] under that Act to get a homestead entry for the quarter section, on which is situated the improvements. [illegible] to record his homestead entry for the S.W.¼ of No. 11, but [illegible] entries, and if Mr. Perry desires to [illegible] N.E. ¼ of the same section upon which [illegible] improvements he will have a homestead entry for it.

That is the policy of the Department regarding applications and there has never been any other ruling since

Memorandum:

Mr. Hume.

N.W.¼ 4-42-28 W. 4th M.
Homestead - David W. Ford.
Entry granted, 8th July, 1919.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821.)

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount:- $ 2381.00
Purpose:- not stated.

He has applied for patent claiming duties as shown on form No. 68A., hereunder marked. Apparently, his duties have been completed in a satisfactory manner and the application has been accepted but in view of the above mentioned loan he was advised that patent for this land could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 18th ultimo, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issue in favour of the Board and it is pointed out in this memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

James M. Eaton.
Your file - A-21,960.

I have your letter of the 26th instant and in reply I am to state that when filing on the N.E. 28-49-1-W.5th M. on the 20th April, 1903, Mr. Eaton did not give his age but stated that the number in his family including himself was two.

When filing on the S.W. 36-48-24-W.4th M. he also did not give his age, but in a Statutory Declaration dated the 7th February, 1907, he set forth his age as 39 years.

When making application for patent for the latter parcel of land on the 24th of September, 1908, Mr. Eaton stated that he was 40 years of age.
